\*Factory options and cannot be retrofitted to existing vehicles.

When selecting and configuring your motorhome, please note that the installation of special equipment and accessories increases the actual weight of the motorhome and reduces the remaining payload (or load capacity). The legally prescribed minimum payload must be observed when configuring the motorhome and must not be exceeded. Prices are recommended retail prices including 19% VAT. The VAT rate applicable at the time of delivery will be charged. As of January 2026 V1/26.
